

BEHAVIOR

We are designed to prepare the children for Primary school in every way possible, even as far as our disciplinary actions. We do not have Corporal punishment. Your child will be given 4 chances a day.

- The first time the child is called down for bad behavior, he/she will be given a verbal warning.
- The second time the child will be placed in "*Time Out*," for 1 min/age.
- The third time the child will be sent to take a nap.
- The fourth time will result in a note home, (parent/provider conference, your child will not be able to attend the center).

This is to certify that my child _____ will obey the rules listed above.
